EMBRACE THE WORLD WITH SERVICE AND FRIENDSHIP

PRESIDENT'S MESSAGE

"Radiance Through Commitment"-- we truly have had a great year and are finishing up with flying colors. It took the effort of every member to accomplish this. I see members come out of their cocoons and show their bright colors through being part of a winning team. It has been all that I had hoped for and more. Not only do I have a feeling of pride but treasure the deepened friendships that have taken place over the past year. My happy memories cannot be taken from me for I will treasure them in remembering my year as President of the Arcadia Altrusa Club 88-89.

Big "Thank You" to Monty Lindsey and the Altrusa Information Committee for hosting the September Dinner Meeting, and special "Thank You" to Dawn Chenier, Past District Governor, for conducting the Initiation. Last but by no means least "Thank You" to our Membership Chairman, Jayne Bellin, and her Committee for the great beginning.

GOVERNOR'S MESSAGE

Thank you for giving me the opportunity to represent District Eleven at the 36th International Altrusa Convention in Dublin. It was one of the most positive experiences of my Altrusa life.

The air was cleared, we had come a long way in putting late Palm Desert nights behind us, and the spirit was one of conciliation and cooperation. The delegates came to transact business and they did their jobs admirably. The minority was heard and the majority prevailed. We also had fun and we left Dublin with a strong commitment to give deserved support and loyalty to our elected officers and to put our talents and energies into the direction Altrusans are known for — Community Service.

Changes in International Bylaws, as approved by the delegates at the Convention, have been sent to your Presidents and have been published in the *Accent*. If you do not have these changes, or want more information, please contact our BRR Chairman, Florence Callagy.

Past Governor Dawn is Revitalization Chairman of District Eleven. I have appointed Helen Kamas as Board Extension Liaison. Revitalization and Extension are top priorities of this Biennium. Extension news, as well as membership plans appear elsewhere in this issue. I invite you to read them.

I congratulate Sally Czarnecki of the Altrusa Club of Santa Maria for having been chosen as the first Career Interchange Recipient. Sally will be going to New Zealand in March. I congratulate Tucson on having won the Family Circle Award for their literacy project. Teresa Wellborn will be going to Washington, D.C. in November to receive this award. I commend Helen Kamas and Barbara Ashton, ably assisted by Past Governor Millie Gillis, on their diligent work in successfully extending into San Luis Obispo.

My prayers go out to all of those stricken by those disasters, "Hugo" and the Bay Area earthquake, causing losses from Puerto Rico up the Eastern Seaboard, and from Oakland to Monterey.

OCTOBER DINNER MEETING

The monthly dinner meeting was held on October 25 at Alan's Supper Club. Kathy Kennedy greeted the guests at the door as hostess and assisted Dorothy Ratzlaff in selling Dimey-Dollar. Unbelievable Bee Rowland won \$21.00--for the second time in a row. (Well, it has been a long dry spell.)

Pam Lane gave a thoughtful Accent. The International Relations Committee, Pat Eicherly, Chairman, was in charge of the program and presented the speaker, Madeline Antille. She presented a most interesting account and slide show of her study of Korea this year under the Fulbright Scholarship. The Committee also had centerpieces of stands with six flags at each table representing twenty countries. The United States flag was included at each table. A World Globe was on the head table.

Dear Mrs. Gilb,

I want to extend our sincere thanks to the members of the Altrusa Club for your donation of \$14,000 to The Sycamores.

As you know, your gift has made it possible to add two more classrooms to our nonpublic campus, and to furnish them. The modular arrived here last week, and we hope to have the new rooms within a few days.

This concern for the victimized children and their problems is excellent.

We are very grateful for your gift and

and sincerely hope coming to your dinner meeting having a visit our campus for a ribbon-cutting ceremony soon. It will be nice for your first-hand what this contribution has done.

Again, thank you for the wonderful gift our boys deserves a happy, healthy, productive life.

Dear Mrs. Gilb,

I want to extend our sincere thanks to you and all the members of the Altrusa Club for your very generous donation of \$14,000 to The Sycamores.

As you know, your gift has made it possible for us to add two more classrooms to our nonpublic school on campus, and to furnish them. The modular building arrived here last week, and we hope to have students in the new rooms within a few days.

This gift is evidence of The Altrusa Club's concern for the increasing number of children victimized by abuse, abandonment, and severe emotional problems. It is also a testimony to your dedication to excellence in education for special children.

We greatly appreciate this vote of confidence in our work. Your gift will benefit the boys directly, and is something that will last for years to come.

I enjoyed coming to your dinner meeting last week and speaking to your members. We look forward to having you visit our campus for a ribbon-cutting ceremony soon. It will be nice for your members to see first-hand what this contribution has done for the boys.

Again, thank you for the wonderful gift. Each of our boys deserves a happy, healthy, productive future, and your recent gift will help us realize this dream.

Re: Our International Christmas Project

At the September 20 Business meeting the International Committee presented various projects for the year. The membership voted to accept the following project which will help the children in Boruco, Santa Domingo.

Janet and Joe are a retired couple from Arcadia who joined the Peace Corps and are serving in Santa Domingo. Dawn Channel shared letters with the Committee relating their experiences and the life of the people. One of their needs is school repair and as Janet stated "just a word about the education system here--one word would be 'bad--very bad'. Her letters are fascinating and show the great need and also their desire to learn. Janet teaches in the school and has mentioned the shortage of supplies.

Janet and Joe are returning to Arcadia for Christmas. At this time we will give them the school supplies collected by us. They will be able to carry the items back with them to Santa Domingo.

Please bring UNWRAPPED any of the following items to our

According to Pat Eicherly, International Relations Com-

"The need came to the Club's attention," Eicherly said, "through letters received from a retired couple, former Arcadians, who serve as Peace Corps volunteers in Santo Domingo."

Eicherly added,

"This project is particularly appropriate because the Altrusa International Organization's emphasis is on 'Literacy'."

Dear Friends,

Once again this year Friends of Foster Children has had a very successful Sugar Plum Tree with the generous help of the mall shoppers and all of our volunteers including those from your organization who helped to man the Tree we were able to provide over 2800 Christmas gifts and over 2700 year round gifts to over 640 children with individual tags and many hundreds more children not specifically identified on the Tree. We hope that the gifts made it a merry Christmas for all of the children. It has certainly enabled us to provide for many of our children's programs and we are very thankful for that.

Thank you for giving of yourselves at a time of year that is so busy for everyone. We and the children do appreciate it very much and hope that it has been a rewarding experience for you, too.

Altrusa Club of Arcadia plans events

Altrusa Club of Arcadia has planned two interesting events for its members.

■ At the first meeting, Dr. Steven E. Elson, executive director of The Sycamores, a residential facility for young boys, will be the guest speaker at the meeting on Wednesday, Feb. 28.

The Sycamores operates its own non-public school, fully accredited and certified by the state. A staff of special education teachers and classroom aides work closely with local school districts to meet the educational and educational placement needs of these students who cannot be served in a public school. More than half of the approximately 60 boys who are living at The Sycamores attend their school, and more than two-thirds require enrollment in a special education program.

There are now four classrooms at the school and there is an immediate need for two more. As its major Community Service Project this year, Altrusa recently allocated \$14,000 to install and furnish two modular classrooms at The Sycamores.

Dr. Elson will review not only the progress of the installation of the classrooms, but also rehabilitation and educational programs offered at The Sycamores.

Margo Crumley and Betty Atkins serve as Community Service co-chairwomen.

Altrusa's annual "Day at the Races" is scheduled for Thursday, March 1, on the Clubhouse Terrace at Santa Anita Race Track. Co-chairwomen are Lois Shoemaker and Anne Daverson, while Bee Rowland is in charge of reservations. Tickets are \$7 per person and may be purchased from club members

or by phoning Shoemaker at 446-4901 or Daverson at 358-5316.

Altrusa is an international service organization founded in 1917 and composed of business, professional and executive women dedicated to service in their community. Under the direction of the Community

Service Committee, the Arcadia club has adopted three major service projects this year. These include The Sycamores, Friends of Foster Children and Huntington Drive Convalescent Hospital in Arcadia.

In addition, through the efforts of the International Relations Committee with Pat El-

cherly as chairwoman, children in Santo Domingo received school supplies and writing materials. At present, used eyeglass frames are being collected for the needy in Managua.

To help these efforts, Altrusa members are asking for the community's cooperation.

CATCH THE VISION OF OUR FUTURE

"New Dreams For The New Decade"

PRESIDENT'S MESSAGE

It has been an honor to serve as your President for this past year. Since it was the last of the 1980's and the beginning of a new decade, I find that I have a feeling of nostalgia as well as enthusiasm for the coming decade. As I look at the names of our Past Presidents, it reminds me of the wealth of talent we have in this group. The Altrusa Club is filled with a multitude of wonderful women who each year pull the organization through its mechanics and achieve truly outstanding results.

To all members, to the Executive Board and to those of you who have held Chairmanships, words cannot be found to express my extreme gratitude. All I can say is the time, energy and effort you have given to Altrusa will always be engraved in my heart.

Last week at District Conference because of our fine group and the cohesiveness of our Club, we were the recipient of the prestigious **MAMIE L. BASS AWARD**, first place in the poster category, third place with the Newsletter and third place with the Yearbook. At the Installation Dinner, I will present my Annual Report, at which time, I will be able to mention each and every one of the members who contributed so very much to making this year so outstanding. I can only humbly thank you again.

The Sycamores is a home for 60 boys, ages 6 to 18, who have either been removed from their homes for their own physical safety or emotional well-being, or have been abandoned completely by their families for specialized out-of-home care. We offer residential treatment and care for abused, abandoned, severely neglected and emotionally disturbed boys. Created in 1902, we are one of the oldest and most respected and effective non-profits serving vulnerable children.

We provide a caring, teaching home environment, a fully accredited special education school, a program of therapeutic recreation activities, as well as counseling and therapy for boys and their families. Our professional staff help individual boys and their families rebuild their lives and plan positive futures.

We work to help break the cycle of child abuse and family violence, and we welcome your questions. For more information about how you can help, contact Becky Chapman at The Sycamores.

HOMECOMING AT THE SYCAMORES
On November 5th, The Sycamores welcomed a grand-style many former Board members and old friends, some of whom hadn't visited the campus since the 1960s. Put on to introduce visitors to updated facilities and programs, The Sycamores' Homecoming festivities featured tours of the campus, as well as a presentation from current Board Member Ken Ondroek, of KNBC-TV.

NEW CLASSROOM FOR NON-PUBLIC SCHOOL

A new modular classroom building was recently added to The Sycamores' non-public school campus, increasing the number of classrooms to six. An older modular classroom building is also being replaced by a larger building to accommodate continuing growth. "When first came here five years ago, there were only two classrooms and available space for about 100 students," recalls Mike Schiller, Director of Education and Services at The Sycamores. Today, 40 of The Sycamores' boys who are unable to go to public school attend classes on campus. ▶

Dear Mrs. Gilb,

I want to add my personal thanks to you and to
Mrs. Crumley, for your influence in the Altrusa Club's
decision to give The Sycamores this generous donation.
Debbie Manners and I thoroughly enjoyed taking you off
the tour of our campus last fall, and we never dreamed
such a generous donation would follow.

It is always such a pleasure to find people like
you who are truly concerned about our boys, and who are
willing to help make a difference in their lives.

Thank you, also, for inviting me to your dinner
meeting last week. I enjoyed talking with you there
and getting to know you a little better. I hope your
travels in Spain and Morocco are exciting and that
everything runs smoothly.

Once again, thank you. I look forward to seeing
you again at the ribbon-cutting ceremonies, soon after
your return.

Dear Monty:

Thank you for allowing me to share the special evening
of your installation. Each and every one who had a part
in making this such a successful event must be congratulated.

It was wonderful hearing Ruth recount the successes of the
club during 1989-90. You all did so well, and I have
high hopes for The Altrusa Club of Arcadia in the Mamie L.
Bass competition.

Thank you for the beautiful Mikasa bowl. I am so fond
of crystal. It already has a very special place in my
home.

May your cup runneth over with continued success.
If I can offer assistance in any way, Monty, please let
me hear from you.

Fondly,

P.O. Box 50007

Dear Sheila:

Confirming our telephone conversation last week it is my pleasure to inform you that the Altrusa Club of Arcadia membership has approved a donation to Haven House in the amount of \$3,200.00.

These funds are to be used specifically for the purchase of playground equipment and playroom furniture, funds permitting.

However, since the major service project of Altrusa International, Inc. is LITERACY, we are requesting that \$300.00 of the \$3,200.00 be used to purchase a set of encyclopedias.

As I mentioned on the phone we would like you to investigate the cost of the playground equipment you would like and send me a list of the items and costs up to the allocated amount of \$3,200.00. This list should also include the cost of the encyclopedias. We will then either reimburse you at the time of purchase upon receiving a copy of the sales receipt or we can pay the vendor direct, whichever is most convenient for you. We believe that through your contacts you will be able to obtain a good price and at the same time select items styled and constructed to your specific needs.

I will be serving as your liaison person as the funds allocated to this project were raised during the two previous presidential terms of office; namely, Betty Atkinson, President, 1988-1989, (\$300.00); and Ruth Gilb, President, 1989-1990, (\$2,900.00)

The Altrusa Club of Arcadia members hold a very special feeling in their hearts for Haven House and all your wonderful accomplishments. It has been our pleasure in the past to be of service to your fine organization, and look forward to serving you in the future.

Please contact me with any questions you may have.

Cordially,

Dear Club President:

It is my great pleasure to present you and your club with a *Presidential Citation* for outstanding achievement in membership growth for 1989-1990. Congratulations on your success in realizing our International membership goal: a net-increase of three or more members.

Continued efforts of each Altrusan will make it possible to reach my personal goal of seeing Altrusa's membership begin a long-term trend of overall growth, for the first time in recent years. We must be able to count on you. Your club has proven its leadership strength this past year. I am asking you to think of our goal of a net-gain of three members per club as a minimum for your club during 1990-1991. Building Altrusa's Membership means continuing to build on your recruitment successes. Ask your club's leadership team to keep our Vision for the Future and goals for growth at the forefront of club planning. I will count on each member of your club to keep the recruitment momentum going throughout 1990-1991!

Altrusa International, Inc. is proud of your club and its membership growth this year. Thank you for your commitment to Building Altrusa's Membership. The *International Altrusan* will carry a feature story on the Presidential Citation, listing every club which received this award for 1989-1990. I hope that I will be presenting a second citation to your club at the end of 1990-1991.

Sincerely,
